

Adults and ADHD!

HADD-ADHD Ireland along with the CoCA EU Project and Trinity College are delighted to announce this FREE talk, with ground breaking experts from around Europe.

Dr. Josep Antoni Ramos-Quiroga is a Doctor in Psychiatry and Clinical Psychology from the Universitat Autònoma de Barcelona (UAB) and is an accepted European leader on ADHD in teenagers and adults and will present an **"Update on the assessment and treatment of ADHD in adults"**

Dr. Oliver Grimm currently works at the Department of Psychiatry, Psychosomatic Medicine and Psychotherapy, Goethe-Universität Frankfurt am Main. Oliver does research in Neuropsychology, Cognitive Science and Biological Psychology. His current project is 'Dopaminergic Reward-Mechanism in ADHD.' Oliver will be talking on **'Adult ADHD and its comorbidities'**.

Dr. Margo Wrigley: National Clinical Lead with the HSE for Adult ADHD Services will be making a presentation on **'Updates to the national clinical plan in Ireland'**.

For Adults involved with ADHD from either a professional or personal basis, this is an event not to be missed!
